DOCKET 29054

NOTICE OF INFORMAL WORKSHOP

BY THE COMMISSION:

The Commission staff has determined that the Commission's fulfillment of its responsibilities pursuant to the Federal Communications Commission's *Triennial Review Order* will be enhanced through the establishment of an informal workshop aimed at addressing issues related to batch hot-cuts and the introduction of any cost models that the parties to this proceeding anticipate relying upon. To that end, an informal workshop is hereby scheduled for December 11, 2003 at 9:00 A.M. in the Commission's main hearing room at 100 North Union Street, Montgomery, Alabama 36104.

All interested parties are encouraged to participate in the informal workshop established herein. All interested parties who intend to participate should provide written notice of their intent to participate no later than December 3, 2003. Said notices should specify whether the party in question seeks permission to demonstrate a cost model. A schedule for the workshop will be issued following a review of the notices submitted on or before December 3, 2003.

IT IS SO RULED.

DONE at Montgomery, Alabama this 21st day of November, 2003.
